Silent Auction Rules

- Silent Auction bidding will be open from 2:00pm. Tables will close every 5 minutes starting at 3:45pm.
- If you wish to bid register your name and contact information and you will be given a bidder number.
- Winning bidders must stay to the end of the event and 'check out' (pay) at the end of the auction. Bids may be paid for by check or cash. Sorry we cannot accept credit cards at this time.
- Each item will have a bid sheet beside it. To bid on an item, write your bidder number (please print legibly!) on the next open line corresponding to the amount you want to bid.
- By writing your bid number on the bid sheet you are agreeing to pay the corresponding amount, should your bid be the winning bid.
- The winning bidder is the person who bid the highest amount above the minimum bid at close of bidding.
- Some items have a "buy it now" option where the bidder may pay the "buy it now" price and need not wait until the end of the event. Just take the sheet to the front table (at the entrance) and pay for your item.
- After each table closes a list of winning bidders will be posted, by number, on a sheet – please check the sheet to see if you have won any items.
- Good luck and happy bidding! **Remember all proceeds from winning bids benefit Starr King Elementary School!**
- **Purchases are not tax deductible *except* where the purchase price exceeds the fair market value; then the amount over FMV is tax-deductible.**
